

the **meeting**  **pod** co

design • creativity • productivity

We manufacture a range of office pods to provide private meeting space and breakout areas in open plan working environments, our product benefits include:

- High quality composite external surfaces with acoustic foam interiors
- Glass enclosure, back panel, table, lighting, power and AV accessories
- Modular design which can be reconfigured or moved
- Bespoke internal and external colour and branding options
- A footprint which is typically 40% less than equivalent partitioned offices
- Outdoor options with solar panel charging facilities
- Unique design with certificate of design registration
- Competitive pricing with full delivery and installation service
- Manufactured by us in the UK

Try our online configurator www.themeetingpod.co.uk to create your perfect pod

Our pods are suitable for the following applications:

- Offices
- Education
- Hospitality
- Financial Services
- Retail
- Healthcare
- Automotive
- Public Spaces
- Leisure
- Exhibition Hire

Modern office environments are changing, to attract and retain the best people, employers must now provide engaging open plan spaces combined with funky breakout and agile working areas.

Collaboration is the new buzzword, creating spaces where people work together to drive creativity, innovation and performance.

meeting pod
